

GIF LINGUA FOR SCHOOLS & TEACHERS

<http://giflingua.com>

Gif Lingua is a platform and online library where all students can read great “gif” books and improve their literacy and English language skills.

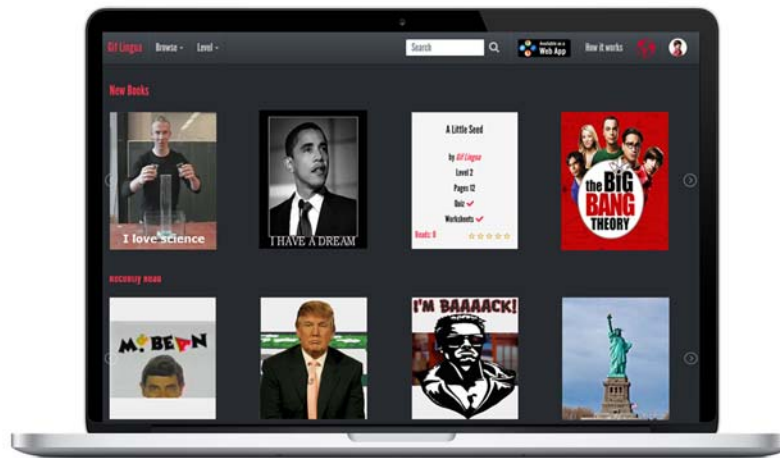

Schools and teachers can purchase access to additional functionality at one low yearly price. No tricks! But it’s always free for students to read and study the books.

Happy learning and teaching,

David Deubelbeiss

Teacher Founder

Join The Gif Learning Revolution!

- ✓ 3,000 + engaging, educational leveled readers
- ✓ Use on any device: laptop, Chromebook, tablet, smartphone
- ✓ Personalize books with own colors, text, audio on/off etc
- ✓ Supplemental quizzes, flashcards, games and video for each book
- ✓ Teacher LMS - make student accounts, assign books, track student achievement
- ✓ Android, Web, iOS apps available for “gif flip” reading.
- ✓ Class pages to share student written books and teacher assigned books
- ✓ Download books to make your own offline library (pptx and epub)
- ✓ Resource library. Download instant lesson material sets (PDF) for all books.
